

An architectural rendering of a city street in St. Gallen. The scene shows a wide, paved street with a central pedestrian area and a fountain. Lush green trees line both sides of the street, and a modern, multi-story building with a glass facade is visible in the background. People are shown walking and cycling, and a car is parked on the right side of the street. The sky is clear and blue.

# Neugestaltung St.Leonhard-Strasse / Oberer Graben
